Re: *Braintree Laboratories, Inc. v. Cypress Pharmaceutical, Inc.*, Case No.: 12-cv-6851-AJN

Dear Judge Nathan:

I write on behalf of plaintiff Braintree Laboratories, Inc. and defendant Cypress Pharmaceutical, Inc. in the above-referenced matter, to make a further joint report as directed by the Court.

The parties have conferred several times this week, exchanged drafts of a procedural and factual stipulation, and are working with their clients to obtain approval of an agreed-upon approach to an early summary judgment proceeding without the need for further discovery.

The parties have made considerable progress. However, to allow additional time for negotiating and drafting such a stipulation, and to obtain the necessary client approvals, the parties request the Court's permission to submit a report on the status of a possible agreement or a stipulation by next Wednesday, June 26, 2013.

Respectfully submitted,

John J. Regan

Cc: All Counsel of Record

The parties' proposal is granted and SO ORDERED. The parties are once again reminded, however, that their discussions are to take place concurrent with their discovery obligations under the January 18, 2013, case management plan. SO ORDERED.

SO ORDERED: 6/24/13

HON. ALISON J. NATHAN
UNITED STATES DISTRICT JUDGE
